

Restoring Milwaukee's Urban Tree Canopy Program

The City of Milwaukee Department of Public Works – Forestry is partnering with the Energy Exchange Inc. to restore Milwaukee's urban tree canopy by offering **1,000 FREE trees** to City of Milwaukee residents and business/commercial property owners.

Reserve your free tree(s) by completing and submitting this form by **JUNE 27, 2014** to Bryan Simon, C/O the Energy Exchange, 4121 S. 6th Street, Milwaukee, WI 53234, fax: 414-747-9646 or by email at bryan@energyexchangeinc.org.

Pick-up your free tree(s) on **SATURDAY, June 28, 2014 from 8am – 11:30am** rain or shine at the tree holding yard located on the southeast corner of S. 6th Street and Waterford Avenue south of hoop houses. Enter at the gravel driveway on S. 6th Street. Street parking available.

All unreserved trees will be distributed on Saturday also on a first come, first serve basis. Forms can be filled-out on-site at time of pick-up, but selection will be limited to variety and quantity of trees available.

Trees play a vital role in reducing stormwater run-off, improving air and water quality, provide valuable shade and can reduce summer energy costs and add beauty to the urban landscape.

City residents and business/commercial property owners agree to plant and maintain trees on private property.

APPLICANT INFORMATION		
Name:		
Business Name (if applicable):		
Address:		
City:	State:	Zip:
Phone:	Email:	
Pick-Up Location: Tree Holding Yard Southeast corner of S. 6 th Street and Waterford Avenue South of hoop houses. Enter gravel driveway on S. 6 th St. Street parking.		Pick-Up Date & Hours: SATURDAY PICK-UP & GIVE-AWAY Saturday, June 28, 2014 8:00am – 11:30am
